Professional Summary

Entry-level Python Developer and B.Tech graduate with hands-on project experience in Python, Django, Flask, SQL, MySQL, REST APIs, and application development. Completed a six-month Application Development Internship and developed academic projects including an AI Resume Analyzer, Student Management System, and Tableau Sales Dashboard. Familiar with Git, GitHub, Linux, Pandas, and scikit-learn.

Technical Skills

Programming: Python, SQL, C, C++
Web Development: Django, Flask, REST APIs, HTML, CSS, JavaScript, Bootstrap
Databases: MySQL, SQLite
Data and ML: Pandas, NumPy, scikit-learn, Data Analysis, Machine Learning
PDF and NLP Tools: PyPDF2, pdfplumber, spaCy
Tools: Git, GitHub, Linux, Postman
Visualization: Tableau, Power BI, Excel
Other: Generative AI, Prompt Engineering

Internship Experience

Application Development Intern **Sep 2025 – Mar 2026**
NexaNova ProTech, Shivajinagar, Pune, Maharashtra

- Assisted in developing software applications based on client requirements under project manager guidance.
- Conducted research on emerging technologies and contributed to application feature design and implementation.
- Supported application maintenance, error resolution, and daily team operations.

Projects

AI Resume Analyzer *Python, Django, MySQL*

- Developed a Django web app to analyze resumes and compare candidate skills with job descriptions.
- Implemented PDF text extraction, skill matching, match-score calculation, and missing-skill recommendations.
- Tested with 10+ resumes using PyPDF2, pdfplumber, spaCy, Pandas, and scikit-learn.

Student Management System *Python, Django, MySQL*

- Developed a student management app with create, read, update, and delete (CRUD) operations.
- Used MySQL to manage student records and Django for application logic.

Superstore Sales Dashboard *Tableau, Data Analysis*

- Created a Tableau dashboard to analyze sales, profit, quantity, region, category, and order-date trends.
- Added interactive visualizations and filters to explore business performance.

Education

B.Tech – Electronics and Computer Engineering **2026**
Khandesh College Education Society's College of Engineering & Management, Jalgaon
Dr. Babasaheb Ambedkar Technological University (DBATU), Lonere
CGPA: 7.50/10

Certifications

Python Data Science With Full Stack – FirstBit Solutions, Pune. *Aug 2025*
Linux Training – Spoken Tutorial Project, IIT Bombay. *April 24*

Additional Information

- **Career Interests:** Python Developer, Junior Backend Developer, Software Engineer, Machine Learning, Data Science
- **Languages:** English, Hindi, Marathi
- **Work Preference:** On-site, hybrid, or remote
